**INT 2:** Defendants state your monthly and annual income numerical amount since **JANUARY 2020**, and your deductions from the same since same.

**INT 3:** Defendants you contend, in a vague and conclusory manner, thirteen (13) or more defenses. State in precise factual detail how each of the negative and affirmative defenses are applicable, and which of Plaintiff's causes do you allege said defenses are applicable too.

**INT 4:** Defendants please list and identify with detail each and every physical, tangible, intangible, and digital asset owned by you.

---

<sup>3</sup> Plaintiff hereby requests of Defendants a second set of 25 Interrogatories and that he be allowed to proffer same until **JUNE 1ST, 2025**.

**INT 5:** Defendants have you directly or indirectly transferred, conveyed or disposed of any cash, physical, tangible, intangible, or digital assets or other items of value with a cost or fair market value of \$100 or more during the period of JANUARY 4TH, 2024 to present? If your answer is in the affirmative, please list and identify with detail each and every item, cash amount, and physical, tangible, intangible, and digital asset.

**INT 6:** Defendants state whether you have filed with the IRS Federal Form 1040 income tax returns for the years 2020 to 2025. If your answer is affirmative, state: (a) the date that each return was filed; and (b) the address or location of the IRS Service Center where the return was filed.

**INT 7:** Defendants state whether you have filed State income tax returns for 2020 to 2025. If your answer is affirmative, state: (a) the date that each return was filed; (b) the state with whom the return was filed; and (c) the address where the state return was filed.

**INT 8:** Defendants Chovance and Claudio describe in detail every fact, observation, and statement from Plaintiff that you relied upon to justify detaining him on MARCH 21ST, 2023, after he flagged you down for assistance. Specify whether you believed he was a suspect and why, witness and why, or victim and why at that moment, and explain how this justified placing him in a police vehicle.

**INT 9:** Defendants Provide a complete timeline of Plaintiff's detention from the moment you first encountered him on MARCH 21ST, 2023, until he was transported to Milwaukee County Jail, including the exact times he was moved between vehicles, who authorized each move, and whether he was free to leave at any point. Explain why this detention lasted over two hours.

**INT 10:** Defendants detail the steps you took to verify Plaintiff's identity after he provided the name "Kabir Elohim Isreal," including what information you entered into the in-car computer, the results received, and any follow-up actions before

detaining him further. Explain why you did not release Plaintiff if no warrants or criminal history appeared under his name.

**INT 11:** Defendants Chovance and Claudio explain the specific facts and circumstances under which you took possession of Plaintiff's gun and passport on **MARCH 21ST, 2023**, including who seized each item, the legal justification for doing so, and why Plaintiff has to ask for his property to be returned to him following the dismissal of his criminal case on **AUGUST 9TH, 2023**.

**INT 12:** Defendant Chovanec: You admitted Plaintiff did not appear to have a weapon when you approached but also stated he had a gun in his hand that he set down. Reconcile these statements, and provide any contemporaneous notes, reports, or witness accounts corroborating your recollection of the gun's location.

**INT 13:** Defendants Claudio and Chovanec: You denied demanding Plaintiff surrender his gun or using a hostile tone, yet claimed insufficient knowledge to confirm or deny hand placement on your weapons. Explain how you can deny Plaintiff's account without certainty of your own actions, and produce any body camera footage and audio from **MARCH 21ST, 2023**, to support your version.

**INT 14:** Defendants Burtch and Fraley: You denied saying, "You are not under arrest but we will let you go once we can identify who you are," explain why you both continued detaining Plaintiff if you believed he was not under arrest, especially after his self-defense claim.

**INT 15:** Defendants Claudio and Chovanec: You claimed Plaintiff entered your vehicle willingly and that you used an in-car computer for a warrant check, but denied locking the door or radioing dispatch. Using all incident reports, computer logs, and radio communications from **MARCH 21ST, 2023**, and explain any differences between these records and your claim.

**INT 16:** Defendants have you been subject to any complaints, disciplinary actions, or lawsuits in the past five (5) years alleging unlawful detention, seizure, or

misrepresentation of arrest status? If so, provide the dates, nature of allegations, and outcomes.

**INT 17:** Defendants, did you believe on **MARCH 21ST, 2023**, that Plaintiff's name "Kabir Elohim Isreal," which could not be immediately verified in your system, constituted a crime under Wisconsin law? If yes, specify the statute or legal basis you relied upon, and describe all facts supporting that belief at the time.

**INT 18:** Defendants the moment each of you decided to detain Plaintiff in your police vehicle, what specific, articulable facts—beyond his identity not being immediately verifiable—did you rely upon to form reasonable suspicion that he had committed, was committing, or was about to commit a crime? Provide the exact sequence of those observations.

**INT 19:** Defendants what training and policies from the Milwaukee Police Department have you received regarding whether an individual's inability to have their identity immediately verified constitutes reasonable suspicion or a crime under Wisconsin law? Provide dates of training and summaries of relevant guidelines.

**INT 20:** Defendants explain how Plaintiff's unverified identity contributed to the decision to detain him for over two hours on **MARCH 21ST, 2023**, including whether you believed this duration was necessary solely to ascertain his identity.

**INT 21:** Defendants did you follow Milwaukee Police Department policies and Wisconsin law requiring specific, articulable facts beyond an unverified identity to detain an individual on **MARCH 21ST, 2023**? If yes, produce the policy and explain how Plaintiff's case met those criteria; if no, state why you deviated.

**INT 22:** Defendants state whether or not any insurance or indemnification policies exist around or in the time period of **MARCH 21ST, 2023** that may satisfy part or all of a judgment that may be entered in this action; or to indemnify or reimburse for payments made to satisfy such judgment? If so, please state as to each insurance agreement or policy its complete contents, including: (a) Name, address and
